

Use this picture with the “Join Team Jesus” lesson plan by Cheri Gamble found at [www.cherigamble.com](http://www.cherigamble.com). Copy this picture on hard paper and have each child decorate it to look like him/herself. Help each child cut the picture out and put a magnet sticker on the back. Each child should then bring his picture up to the magnet board and place it with the 12 disciples, while you remind him that God wants him on Team Jesus, too!
